Policies

- Payment for summer classes and tutoring sessions is due when you register.
- The ratio for regular tutoring sessions is 2 students to 1 tutor. We assign your student to a tutor who is able to meet your student's unique needs. Although we try to keep your student with the same tutor, we cannot guarantee a specific tutor for each session. If you have a specific tutoring request, please ask prior to the session, and we will do our best to meet your needs. If you want private tutoring, please indicate this when registering.
- The ratio for group classes is 6 students to one teacher.
- Tutoring sessions are one hour. Please pick your child up promptly following the session. If your student stays longer than the scheduled session, you will be billed for an EXTRA ½ hour.
- If your student is going to miss a tutoring session for any reason, please **notify us at least two hours prior** to the scheduled session; we will gladly schedule a make-up session at a time convenient for your student. We do not refund or reimburse cancelled sessions.
- All cancelled tutoring sessions need to be rescheduled and made up within one month. It is the responsibility of the parent and student to schedule make-up sessions.
- Students are expected to attend group courses on the scheduled days and times. Missed classes will not be refunded and can not be made up. If your summer schedule changes, you may exchange weeks your child is scheduled to attend.
- Students who miss group classes are responsible for making up missed work on their own. If they need additional help, they may sign up for tutoring sessions at the regular tutoring rate.
- Appropriate school behavior is expected during tutoring. Parents will be notified of inappropriate and disrespectful behavior. After the first offense, we will schedule a conference with the parent, student, and tutor. If the behaviors continue, we will ask you to find alternative tutoring for your child.
- All tuition for summer sessions is due at the time of registration. Credit card information must be completed on registration form; we require a valid credit card number to guarantee payment, even if you choose to pay by check.
- Space is guaranteed upon receipt of payment.

By signing below, I acknowledge that I agree to the above payments and policies.
